

### **How do I download the entire issue?**

There are three ways (and a bonus):

1. Look up at the TJE logo/banner at the top of the webpage. On the far right are three icons: RSS, Subscribe, and 'Full Issue'. Click on the 'Full Issue' icon and you can download the entire issue.
2. Look on the other side of the top banner at the blue bar under the TJE logo. Click on the place where it says "Volume 20, Issue 4, November 2008". That will also download a full issue.
3. Or, click on the blue bar where it says "Previous Issues" and choose the issue you want. At the end of every Table of Contents listing is the pdf for the full issue.
4. Okay. One more. Want to forward the pdf to someone without downloading it yourself? Go back to the right-hand side of the banner and right-click on the "Full issue" icon. Then select 'send link' and when the email message pops up, type in the email address of the person to whom you'd like to send the pdf link. They will get a URL that allows them to download the full issue pdf.
